

Audio check

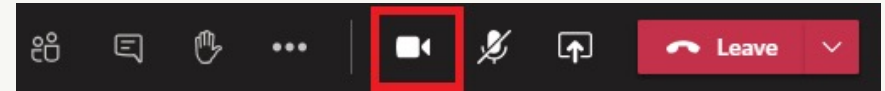

Can you hear the presenter talking?

Please type yes or no in the
“Text chat area”

Online session etiquette

Have your camera on during the duration of the class.

Have your microphone off, unless called upon to speak.

Always use the hand raise function to queue up your question.

Recording

This session will now be recorded.

For further information on the legal basis for making, storing and using the recording, please consult 'CBS guidelines for recording of teaching activities and the use of teaching material' available in Danish and English.
